

A man married a beautiful girl.

He loved her so much.

Once she developer a skin disease.

Slowly she started to lose her beauty.

DEPARTURES

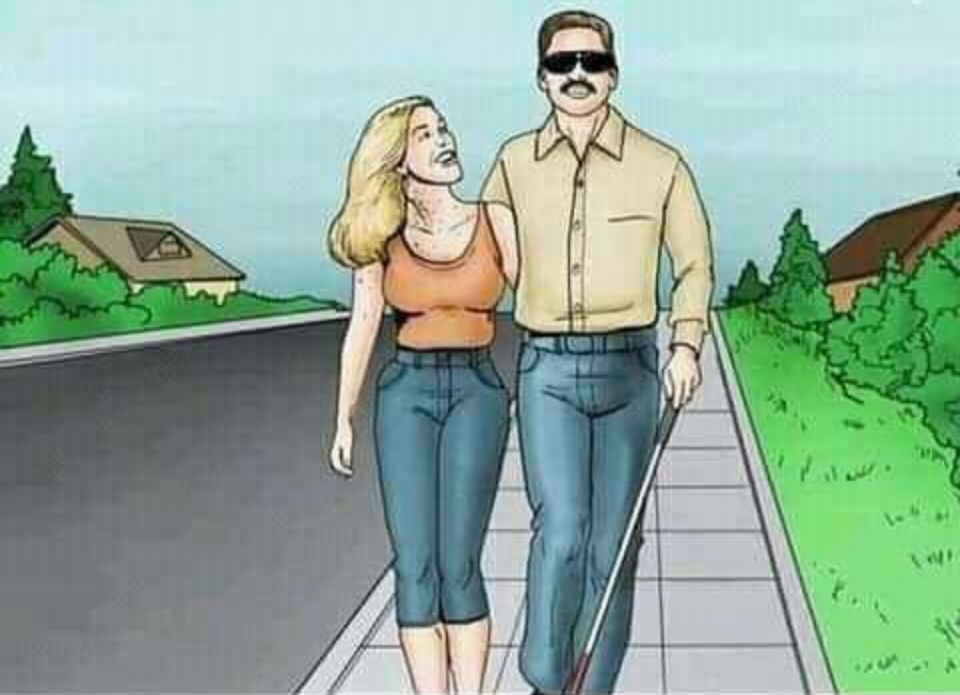

It so happened that one day
her husband left for a tour.

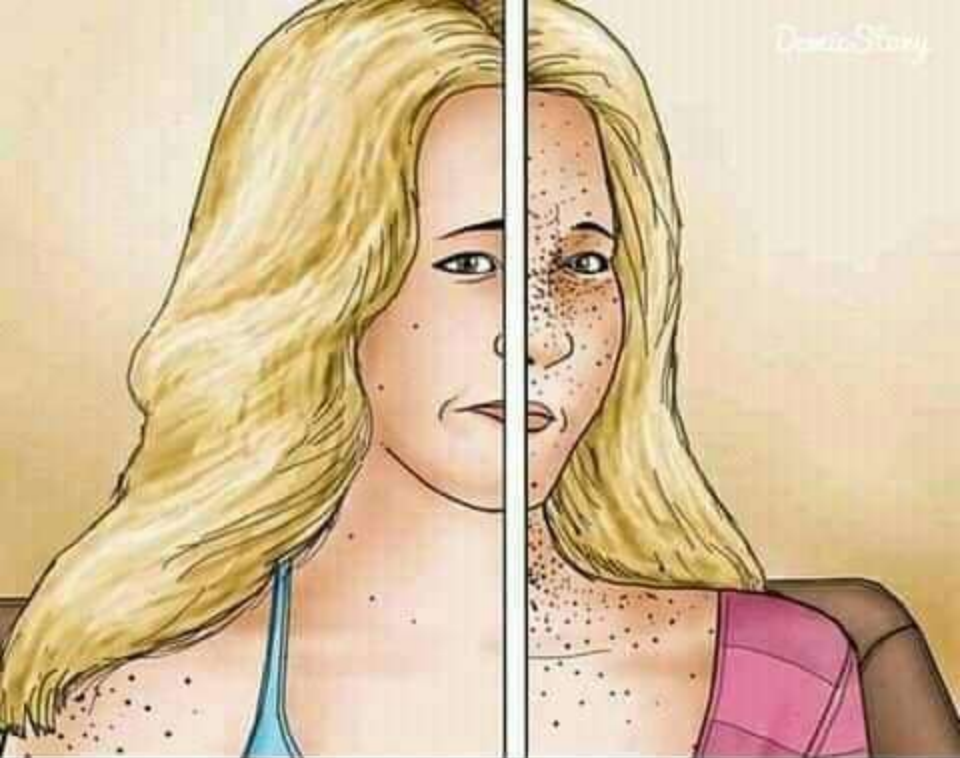

While returning he had an accident.

**In the accident he damaged
his eyes and lost his eyesight.**

**However their married life
continued as usual.**

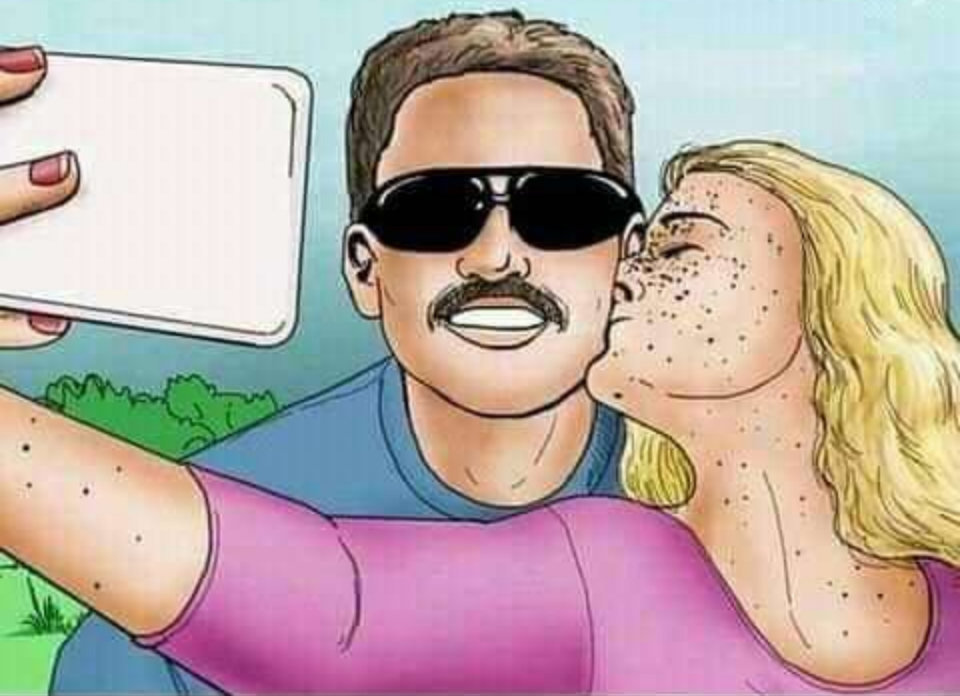

But as days passed she lost
her beauty gradually.

Blind husband did not know this

and there was no difference in
their happy married life.

He continued to love her

and she also loved him very much.

One day his wife slipped from stairs,
and died due to head injury.

Her death brought him great sorrow.

He finished all her last rites and
wanted to leave that town.

A man from behind called and said,

now how will you be able
to walk all alone?

All these days your wife
used to help you.

He replied, I am not blind.

I was just pretending to be blind.

because if she knew I could
see her ugliness

it would have pained her more
than her disease.

So I pretended to be blind
this whole time.

She was a good wife.

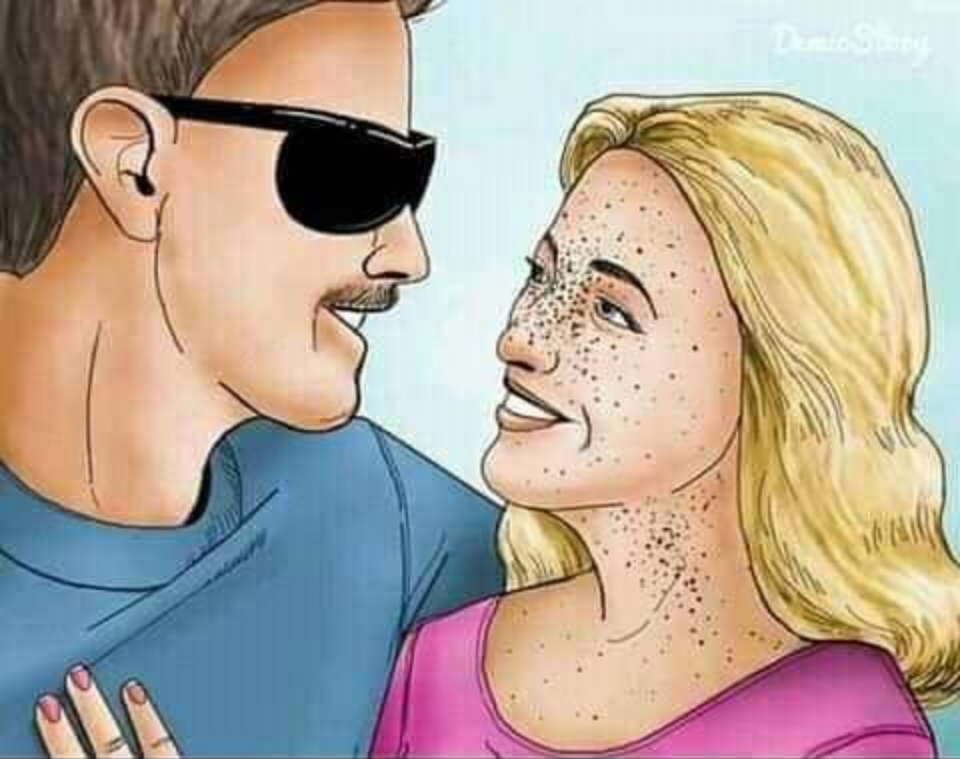

I only wanted to keep her happy.

Sometimes it is good
for us to act blind

and ignore one another's short coming, in order to be happy.

**Ignoring the little harsh things in
life can make your life easier.**
